Good morning,

The advertisement seeking applications for members of the initial Council of the College of Paramedics of NS is posted on the government Agency Board and Commission website and available through this link :

[http://novascotia.ca/exec\\_council/abc/current-opportunities.asp](http://novascotia.ca/exec_council/abc/current-opportunities.asp)

As required under *Paramedics Act* appointment of public representatives and paramedic representatives on the initial Council of the College will be made under the provincial government appointment process. Subsequent appointment of paramedic members to Council will be made through a nomination and election process. Details of the composition and appointment of members of the initial Council of Paramedics are included under section 105 of the *Paramedics Act* available at : [http://nslegislature.ca/legc/bills/62nd\\_2nd/3rd\\_read/b123.htm](http://nslegislature.ca/legc/bills/62nd_2nd/3rd_read/b123.htm)

We encourage all active-practising paramedics in good standing on the Emergency Health Services Registry, from all areas in the provinces, to consider applying to become member of the initial Council.

Information and instruction for making an application are available through the Nova Scotia Government Agencies, Boards and Commissions website at : [http://novascotia.ca/exec\\_council/abc/](http://novascotia.ca/exec_council/abc/)
